Projects

Personal Portfolio Website | (2025) | <https://github.com/Haersa/Portfolio>

- Built a responsive portfolio site using HTML5, CSS3 & JavaScript
- Optimised for performance, SEO, and accessibility with modern UI/UX principles.

Limelight Cinema | (2025) | <https://github.com/Haersa/Limelight-Cinema>

- Developed a full-stack cinema website using PHP/MYSQL with CRUD functionality
- Created a location-based ticket booking system with user authentication
- Applied thorough planning for layout, functionality and user experience

Work Experience

Stock Room Overseer & Retail Assistant | Primark Fort Kinnaird (April 2021 – Present)

Current Role: Stock Room Management (2023 - Present)

- Meeting with the duty manager at the start of my shift to liaise with them and figure out my tasks/itinerary for the day.
- Manage stock room standards, ensuring compliance with the company's health and safety ideals. Prioritising the health and safety of colleagues.
- Co-ordinate with department & duty managers to allow for easy replenishment of stock taken off deliveries.
- Work with delivery drivers to receive daily stock deliveries.
- Operate balers to allow for easier recycling of packaging material.

Previous Role: Retail Assistant (2021 – 2023)

- Operate Electronic Point of Sales (tills)
- Applied web design principles (colour theory, hierarchy & proximity) to store displays, increasing traffic to best sellers and driving shoe department sales by 40% in 8 weeks.
- Provided a stress-free shopping experience by answering any customer queries and offering assistance.
- Work as part of a team (collaboration with shoe department manager to optimise layout for customer experience)
- Maintained an organised department presentation and replenished stock efficiently.
- Carrying out my tasks in a timely manner, prioritising critical tasks first.

Training Gained whilst at Primark – Fire Awareness, Baler training, Health and Safety Training.

Retail Assistant (Christmas Temp) | Tesco, Musselburgh (November 2020 – March 2021)

- Operated EPOS (Tills)
- Carefully listened to customers and helped with any queries
- Worked as part of a team

Training Gained whilst at Tesco – Diversity and Inclusion, Health and Safety, Food Hygiene

Key Strengths & Development

- Perfect attendance record in all professional roles
- Strong communication skills and customer focus.
- Self-motivated & quick learner, adaptable to new languages and technologies
- Stay up to date with web development advancements via blogs, YouTube content and threads

Interests & Hobbies

Maintain an active lifestyle through regular evening runs, gym sessions and weekly football with my work friends/colleagues. Stay up to date with web development trends through blogs and YouTube channels. Enjoy socialising with friends, gaming on my console or PC, reading and contributing around the house.
